Learner Information

Learners will do research on apprenticeship and trades when doing career exploration.

Read the article called, "Where do I learn more about apprenticeship.

Where do I learn more about apprenticeship?

Skilled Trades Ontario is responsible for skilled trades certification in Ontario, including:

- starting apprenticeship training programs
- measuring whether people who were trained in the skilled trades outside of Ontario are qualified to work here
- issuing Certificates of Qualification
- maintaining a record of people authorized to work in compulsory trades
- conducting research about apprenticeship and the trades

Website: https://www.skilledtradesontario.ca/

apprenticesearch.com is a free service operated by not-for-profit organizations and community agency partners in Ontario. They:

- offer a free online platform that connects employers and job seekers in the skilled trades
- provide free resources on the skilled trades
- promote the skilled trades as a worthwhile career
- educate people on the skilled trades as a career
- provide personal support to employers and job seekers in the skilled trades

Website: https://apprenticesearch.com

The Canadian Apprenticeship Forum / Forum canadien sur l'apprentissage (CAF-FCA) is a non-profit organization that connects Canada's apprenticeship community. Members include employers, unions, equity-seeking groups, and educational institutions. They work together to help support and develop a highly skilled workforce.
