NOTE - College-to-college comparisons (ranking) could produce misleading results because of college size, local employment conditions, program mix and graduate demographics. The data from each college should be considered on their own.

* The 2022-23 KPI graduation rate is based on students who started one-year programs in 2020-21, two-year programs in 2018-19, three-year programs in 2016-17 and four-year programs in 2015-16, and who had graduated by 2021-22.

** The 2022-23 KPI graduation rate is based on students who were funded through the college funding framework, the Second Career program or the co-op apprenticeship diploma.
